

Mary Roe's Biscuits

By: Mary J. Roe (Matthews)

From: Her daughter-in-law, Karen Herring

2 cups flour
3 tsp baking powder
½ tsp salt
4 tbs Crisco
¾ cup milk

Sift flour, baking powder and salt. Add Crisco and mix up real good. Add milk and mix to form dough. Roll out biscuits, put on greased pan and bake in a hot oven at 450° for about 12 minutes.

This one was submitted by Karen Herring. She is married to Mary's grandson, Huey. This is the only recipe she uses regularly that she got from Mom. When they first got married she couldn't boil water but she could make some good biscuits. -Harriet-
